

# 213AX4

\$1995<sup>00</sup>

Cleaning Power—  
A hot water washer  
at a price everyone can  
afford. Extremely mobile!  
High quality! Great features!  
Low Price!

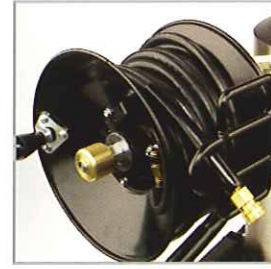

### CONTROL PANEL

Simple control panel makes for easy and convenient operation.

### COIL SYSTEM

Our exclusive cold water wrap forms the combustion chamber, eliminating troublesome insulation and outside hot spots. It also allows for better air flow which in turn provides better fuel combustion and efficiency.

### OPTIONAL HOSE REEL

No more tangled hoses with our optional hose reel.

The model 213AX4 incorporates a triplex pump with a crankshaft that runs in oil for cooler, quieter operation. The pistons are solid ceramic and the check valves are stainless steel. The 2 HP (20 AMP), 115 volt, single phase motor runs a direct drive pump which produces 2 gallons of water per minute at 1300 PSI with a shipping weight of 420 lbs. This washer is built to withstand years of hard use.

### STANDARD FEATURES

- Heavy duty frame
- Stainless steel coil wrapper
- Triplex oil bath pump (industrial duty)
- Adjustable temperature control
- Corrosion proof 4.5 gallon fuel tank
- Inline fuel filter
- Pneumatic wheels (ball bearing hubs)
- Low pressure detergent injector
- 50' hose with quick disconnects
