Your Dependable Co-Worker who can Handle the Heat.

Mobility, power and safety all come together in Alkota's 4308XP Explosion Proof All Electric pressure washer. It's an alternative to All Electric pressure washers and hot water washers in hazardous environments. Built strong from the inside, this unit uses a 7.5 HP Premium Efficient Explosion Proof electric motor to power through the dirtiest projects in the most dangerous places. With six replaceable 10,000 watt immersion heaters, this machine can take the heat and keep everyone safe. It meets industry standards for safety explosion proof and dust ignition proof electrical equipment for use in hazardous areas. This All Electric unit makes a perfect fit for projects in tight spaces with its small footprint. Durable and well-built, it's the co-worker you want by your side when safety matters.

Call us today to see how 4308XP Explosion Proof All Electric can work for you.

FEATURES

- Belt drive, oil bath pumps, ceramic plungers
- Easy access controls
- Precise chemical metering
- Stainless steel immersion heaters
- Stainless steel float tanks
- Standard temperature control
- 460 Volt, 3 phase power
- Easy grip trigger gun
- All models except 108 available UL approved

ADVANTAGES

- Completely powered by electricity
- No open flames
- Minimal noise
- No smoke or fumes
- Small space requirements
