

# HOT WATER PRESSURE WASHER

## X4 SERIES

PORTABLE ELECTRIC MOTOR DRIVE

### PERFECT FOR CLEANING

- Schools
- Warehouses
- Farm Equipment
- Hospitals
- Rental Stores
- Vehicles
- Manufacturing

### WHY CHOOSE ALKOTA

There is no reason that machines need to be complicated to do their job.

Our team of engineers and product developers have been designing, building and improving high pressure cleaning systems since 1964. When you buy an **Alkota** pressure washer, you're buying quality and longevity. It is an investment in the future of your business.

At **Alkota** we believe that simplicity means quality.

Being American Owned our machines are built with high quality materials the old-fashioned way, by hand. We design and assemble them right here in the heart of the **USA**, so that you know you're getting an American-built machine.

\* UL 1776 Certified

## Standard Features

- Burns Kerosene, Diesel or Home Heating Oil
- Belt - drive triplex ceramic plunger pump for long life.
- Soft Dampening system for long life of high pressure fittings, pump & coil.
- Adjustable Front axle for proper weight distribution
- Corrosion resistant float tank
- Winterizing valve for protection during freezing weather
- Built in Wand Holder.
- 50 ft. hose, shut off gun and 42" insulated wand
- Four pneumatic wheels
- Schedule 80 Hydro Insulated Coil
- High Pressure Detergent

## Available Options

- Nozzle Kit
- Hour Meter
- Flat Free Wheels
- Steam Option
- Adjustable Temperature Control
- Stainless Steel Wrapper
- Stainless Steel Frame
- Smart Timer - Auto start/stop with 20 sec. delay
- Auto Shut Down - Manual on/ auto off with adjustable timer
- 3 Phase 230V or 460V

## FOR BETTER CLEANING

Clean Better with **Alkota Biodegradable** detergents specially formulated for high pressure cleaning.

All pressure washer detergents are blended with sealant to reduce scale buildup in the heating oil, pump and fittings. This improves equipment performance and minimizes replacement and repair cost.
