

PARTS WASHER

FRONT LOAD

AL3030RBD & AL3048RBD

Built for automotive garages, farm shops, small factories and equipment repair facilities.

WHY CHOOSE ALKOTA

There is no reason that machines need to be complicated to do their job.

Our team of engineers and product developers have been designing, building and improving high pressure cleaning systems since 1964. When you buy an **Alkota** water heater, you're buying quality and longevity. It is an investment in the future of your business.

At **Alkota** we believe that simplicity means quality.

Being American owned our machines are built with high quality materials the old-fashioned way, by hand. We design and assemble them right here in the heart of the **USA**, so that you know you're getting an American-built machine.

PARTS WASHER SPECIFICATION CHART

- 24 hour, 7 day Heater & Skimmer
- 4" diameter cabinet vent with inside plate
- Lower Spary Bar with Jets or Spary Jet Nozzles
- Auto Refill
- Turntable Jog Switch
- 3" Casters
- FI Bag filter 100 micron
- T-bar parts tree
- Stainless Steel Options for Pump, Cabinet, Door
Turntable, Plumbing, Parts Tree, Spray Nozzles

FOR BETTER CLEANING

Clean Better with **Alkota Biodegradable** detergents specially formulated for high pressure cleaning.

All Pressure washer detergents are blended with Scal Trol to reduce scale buildup in the heating coil, pump and fittings. This improves equipment performance and minimizes replacement and repair cost.
